All businesses in the health sector in Uganda are required to be registered with

- Uganda Registration Services Bureau (URSB) for company registration
- Uganda Revenue Authority (URA) for taxes
- Local Authorities such KCCA/Municipal Council for license

Please note

Upon registration, players in the pharmacy industry are required to comply with relevant authorities like:

- Ministry of Health
- National Drug Authority (NDA)

For individual

- National ID or any other two of the following valid identification documents; Passport, Driving permit, Voter's card, Village ID, Employment ID, Refugee ID, recent Bank statement, Work permit, financial card, Visa, NSSF card etc.
- Certificate of registration (incase you are in business)
- Statement of particulars and partnership deeds (incase of a partnership)

For non-individual

- Company Form 20
- Certificate of incorporation

Corporation tax

This is tax imposed on all companies in Uganda at a standard rate of 30%. A business in this sector must register for this tax.

Individual income tax

In this sector, the listed directors in the pharmaceutical entity are expected to file a provisional return the course of the year and a final return after close of the year, in the event that they don't appear in the company's payroll.

Pay As You Earn (PAYE)

Any person managing a pharmacy business and has employees earning a monthly salary more than 235,000 is required to register for Pay as You Earn (PAYE), withhold and remit tax to URA.

[Click here](#) for PAYE rates

Withholding tax

Withholding tax (WHT) is income tax that is withheld at source by one person (withholding agent) upon making payment to another person (payee). The rate is 6% withheld and remitted to URA

Please note

The tax withheld is credited/ reduced on the tax payable in the final income tax return.
