TAX INCENTIVES UNDER DOMESTIC TAXES

INCOME TAX

Beneficiary	Incentives	Period of Incentive	Conditions for the Tax Incentive
All business startups with a capital of less than 500 million	Exemption from income tax for three (3) years	three (3) years	Business established by a citizen after 1st July 2025, provided all the following conditions are met: 1. The business is registered with an investment capital not exceeding five hundred million shillings (UGX 500 million) 2. The citizen or their associate has not previously benefited from the exemption. 3. The citizen files a tax return, including a business information return in the format prescribed by the Commissioner General.

INTRODUCTION

Tax incentives and non-tax incentives are available to both foreign and local investors. The benefit for local investors is that they can access the tax incentives with a lower minimum capital requirement. Local and foreign investors can equally access non-tax incentives, like land in industrial parks, facilitation for infrastructure needs, and policy advocacy for a conducive environment.

NON-TAX INCENTIVES

Remission: For this purpose, it is a reduction of duty on inputs and raw materials imported for manufacturing goods into a partner state. This is premised under S140 of the EACCMA, 2004, which provides that the Council of Ministers may grant a remission of duty on inputs for the manufacture of goods in a partner state.
Stay: This is a tariff adjustment scheme that allows EAC partner states to depart from the CET rates and implement a tariff rate lower/higher for a period of one year, but renewable.
Exemption: It is where duty is not charged on imported goods as premised under S114 of the EACCMA. These are listed in Part A and B of the 5th schedule of the EACCMA.
AGRICULTURE SECTOR
