Withholding VAT

WH VAT is amended downwards from the full 18% of the **taxable value** to 6% of the taxable value

The 6% withheld shall be recognized as a payment in the subsequent VAT tax return of the tax payer from whom the tax is withheld. This cures the VAT administration defects

The Minister will designate persons who shall withhold this VAT

Persons who have satisfied the CG that they have complied with their VAT tax obligations will be exempted from WH VAT.

This eases the compliance burden for taxpayers who have proven themselves to be compliant
