- Fisherman and fishmonger

Who is a fisherman and fishmonger?

A fisherman is a person who hooks fish for food or for sale.

A fishmonger is a person who sells it to the final consumers. Fishmongers can sale fish in retail and wholesale and has experience in selecting, purchasing, handling, smoking, boning, displaying, merchandising and selling their product.

All players in the fishing sector in Uganda are required to be registered with;

- Uganda Registration Services Bureau (URSB) for Company or business name
- Uganda Revenue Authority (URA) for taxes

Please note:

Upon registration, one is required to comply with the requirements of statutory bodies like;

- National Environment Management Authority (NEMA)
- Department of Fisheries Control, Regulation and Quality Assurance under Ministry of Agriculture, Animal industry and Fisheries.
- For fishermen and fish mongers, your license cannot be renewed unless you have a TIN

For individual

- National ID or any other two of the following valid identification documents; Passport, Driving permit, Voter's card, Village ID, Employment ID, Refugee ID, recent Bank statement, Work permit, financial card, Visa, NSSF card etc.
- Certificate of registration (incase you are in business)
- Statement of particulars and partnership deeds (incase of a partnership)

For non-individual

- Company Form 20
- Certificate of incorporation

Corporation tax

It's a tax imposed on non-individual players in the sector at a standard rate of 30%.

Presumptive Tax (Income tax for small business)

This is a tax imposed on businesses in the sector using the rates applicable.

[Click here](#) for presumptive tax rates.

Pay As You Earn (PAYE)

This tax applies to a sector player who has employees that earn an aggregate in excess of 235,000 per month. This form of tax is withheld every month.

Withholding tax

Withholding tax (WHT) is an income tax that is withheld at source by one person (withholding agent) upon making payment to another person (payee). If fish processing plant supplies goods above 1 million, the person to whom those goods are supplied charges withholding

tax at a rate of 6%. The plant receives a Tax Credit Certificate that helps in offsetting tax liability in the final income tax return.

[Click here](#) for information on Withholding tax.

These returns are filed like any other Income tax returns

[Click here](#) for information on how to file your returns.

After filing a return, you're required to pay taxes due using available payment platforms e.g. banks, mobile money, VISA, Mastercard, EFT, RTGS, USSD Code (*285#) etc.

Please note: the due date for payment of tax is the same as that of return filing.
